Under the guidance and monitoring of IQAC, the college has organized one international seminar and eight national seminars.

An induction training programme for faculty members was convened on 1 June to introduce new faculty members, brief on the main targets for the year, make the staff aware of their administrative responsibilities, and the code of conduct to be followed. Furthermore, the principal presented the academic calendar and explained the duties of various positions. IQAC, along with the Research Advisory Committee, met with staff members in person and motivated them to apply for research projects and seminars. An action plan for the college for the entire academic year was prepared and distributed to departments, forums, and clubs so that they could plan different programs early at the beginning of the academic year. IQAC invited input from all departments, clubs, and forums to help realize the action plan.

The admission committee supervised a smooth and transparent admission process for undergraduate programs. In collaboration with the admission committee, the IQAC organized a one-day induction program for first-year undergraduate and postgraduate students to familiarize them with the rules, regulations, functioning culture, and best practices of the college. With the help of the admission committee, IQAC updated the guidelines for preparing the college prospectus. Students were selected from first-year batches for various Student Support Programmes.

Remedial classes have been started for academically weak students.

An institutional SWOC analysis was conducted in separate sessions for faculty, students and non-teaching staff.

IQAC organized an External audit on for the year 2018-19. An academic audit team consists of Dr. H. K. Santhosh, Dr. Kaladharan and Dr. Rasheed of SNGS college, Pattambi.

Placement proposals were received from teachers and submitted to the Directorate of collegiate education. A two-day CAS training program was conducted for teachers to familiarize them with the rules of the Career Advancement Scheme. The programme was inaugurated on 12.07.2019 in the college seminar hall at 3.30 pm.

IQAC monitored curricular transactions regularly and monitored the quality of education. Internal exams are conducted in a centralized manner. Remedial classes were conducted for the academically weaker students. PTA meetings for all undergraduate classes were conducted successfully. The teacher's diary is prepared, distributed to teachers, and monitored regularly. Conducted separate SWOC analysis among students, teachers, and non-teaching staff. The teaching plans of the course teachers were collected.

IQAC and the college council continuously upholds the best practices of the college. The students and staff of Government Arts & Science College Calicut under 'GASC relief cell' worked tirelessly during the floods that affected Kerala in 2018, to support the welfare of society. The college served as a flood relief center during those days. Students and teachers contributed by collecting and distributing materials to those in need. The college provided food, clothing, medical, and sanitation facilities to the affected persons. Additionally, the college engaged in the rehabilitation of villages by participating in the cleaning of houses and premises in the aftermath. The college also made contributions to the Chief Minister's Distress Relief Fund (CMDRF) and directly assisted needy individuals.

The IQAC conducted a two-day online training program on “Learning Management System” during 18.06.2021-19.06.2021. Dr. Moncy Mathew delivered welcome speech to the inaugural session, Dr. Edakkotte Shaji presided over the function and Dr. Sajitha Kizhinippurath express vote of thanks. The LMS team from SNGS College Pattambi handled the sessions, with Dr. H. K. Santhosh, Dr. Kaladharan, and Dr.

Rasheed serving as resource persons. The program provided both theoretical and practical knowledge about the implementation and use of LMS in online education. It was particularly helpful during the COVID pandemic. 90 faculties attended the programme.

An initiative was started by the IQAC to develop a comprehensive master plan for the overall development of the college. A preliminary meeting was arranged with former MLA Pradeep Sir, Sreejayan Sir from the PWD, Architect Nishant, staff from the Minister's office, former teachers Dr. Ramesh Babu and Dr. Chandrasekaran, and OSA President Shemil. During the meeting, it was decided to conduct a one-day seminar to further develop this comprehensive master plan.

A college development seminar was organized by the IQAC on October 17, 2021 at the college auditorium. The Honorable Minister Sri Ahammed Devarkovil inaugurated the seminar, and Kozhikode District Mayor Smt. Beena Philip presided over the function. Former MLA Sri Pradeep Kumar, College Principal Dr. Edakkotte Shaji, and other distinguished guests were present at the event.

The seminar aimed to gather input from all stakeholders, including government representatives and the public, to develop a master plan for the overall development of the college, encompassing both academic and infrastructure improvements. Suggestions were sought from the PTA, alumni association representatives, teaching and non-teaching staff, political leaders, students, and other well-wishers. Based on this input, it was decided to create a comprehensive master plan for the college's overall development.

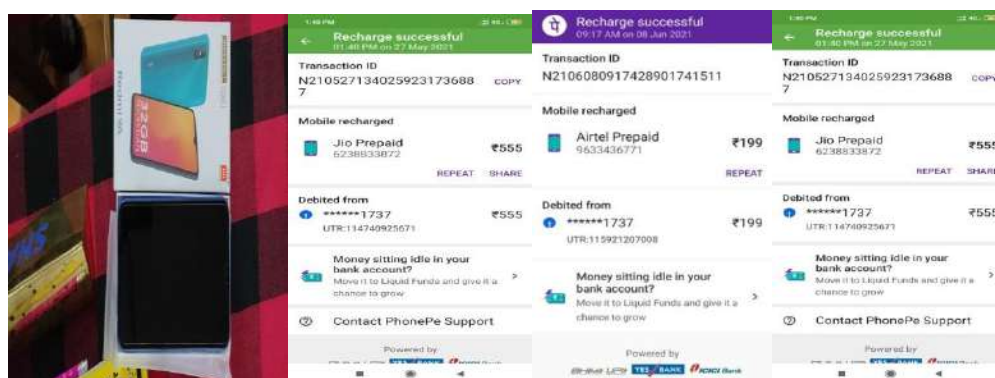

IQAC conducted a workshop on ‘Research & professional ethics’ on 21.02.2022 at college auditorium. The programme was inaugurated by the college principal Dr. Edakkotte Shaji and presided over by IQAC coordinator Dr. Moncy Mathew. The college research nodal officer Dr. Anand T A presented the topic. Teaching staff, research scholars and PG students attended the programme.

During the COVID pandemic, the staff, students, and other stakeholders worked tirelessly. The IQAC led the college's relief activities by providing proper direction to the GASC relief cell. Online classes were closely monitored to ensure the inclusion of all students from diverse social and economic backgrounds. Environmental promotional activities were carried out by clubs, committees, and various departments, which sensitized students to social issues. NSS, NCC, Bhoomithra Sena led many related activities in the year. Webinars and online awareness programmes were conducted.
